Following this, there came a succession of rily awaken, and had reduced the narative days and moothe fraught with deepest miseto writing, which I might peruse at pleasry to both of us. I will draw a veil over the recollections of this period, only mentioning that but a few months had elapsed before tale that none who saw him could fail to Being the eldest of six children, my parents had always been accustomed to rely on me ance instead of causing self-reproach, and for much assistance, which had I been the exciting pity, led me to look upon myself as only child they would scarcely have considered me abie to render. My mother's time seifish and wicked heart hardened towards was almost wholly occupied with household him till I rarely spoke save in harshness and

We had now been married about two devolved on me. Nature had endowed me years. One morning Mr. Leland went to with an indomitable will, and a pessionate the store as usual but soon returned. On love of power which required a stronger carb than the occasional reproofs which my ebut litions of temper called forth. Among my brothers and sisters my word was law, and when I issued a command, (and that was the form in which my power was exercised.) exacted the strictest obedience. I do not think the children could have loved me very much. acted the strictest obedience. I do not think the children could have loved me very much, for my passionate influctions must have engendered that fear which casts out love.

At length a change came over me; a passion took possession of my heart, which for a time overpowered all baser passions—need I say that passion was love? My whole heart was devoted to an object worthy of a better was devoted to an object worthy of a better off, sick, broken-hearted alone, without money and without friends. Trouble and disappointment drove me to the wine cup, then, to find oblivion for my sorrows, I neglected my day is manufactured in a voice from and solemn, while I almost felt his burning gaze he said: "Clara, this day I am a ruined man—my employers have watched with me; finding it to no purpose, this day on which I should have been raised to an honorable and profitable position, finds me cast off, sick, broken-hearted alone, without money and without friends. Trouble and disappointment drove me to the wine cup, then, to find oblivion for my sorrows, I neglected my business, became invoived in debt, and this is the consequence.

About a year from this time, our little child was born, but my cup of joy at this event was doomed to be mingled with sor

child was born, but my cup of joy at this event than to contend with an antagonist.

Intending to relieve my parents from providing some of the necessary articles for house keeping. I engaged to take charge of a district school which was managed by a board of trustees, who were authorized to employ and pay the teacher; being more or less controlled by them. Their occasional interference was, to a temperament like mine exceedingly irritating.

One day when I returned from school in a very angry mood, asserting that I would neither submit tothe dictates of the trustees, or any one wise, when my eldest stater subli, with an arch smile:

What will you do when you are married? You will then have to love honor and

ried? You will then have to love honor and obey.'

My temper was not in the least softened by the question, and I replied very emphatically that, when I married, it would be my husband's duty to make me honor and band's duty to make me honor and softened by the greatest of the partied alone then the considered this his dying trust a sacred one, and have endeavored to execute it with what success the well ordered life of my son will attest. I remained at home till my son married, alone then the considered this his dying trust a good assortment of tron & Stee which I will sell low. SAMUEL WILLIAMS. Sep. 20.—10—16. band's duty to make me happy, and if he did not conform to my wishes I should endeavor to make him. Foolish, wayward girl that I was, to resolve, in my own mind, that I was, to resolve, in my own mind, that I was, to resolve, in my own mind, that I was, to resolve, in my own mind, that

I am now an old woman, full of years and me to adhere to his expression of perverted experience, but I trust that each successive
